- A. I agree to follow the Cornhusker Flyer Uniform Dress Code given to me. I will notify the Coach or Uniform Coordinator immediately if my uniform kit or any part is lost or stolen. I understand that this does not absolve me from paying for the kit or any part.
- B. I understand that the uniform kit is my responsibility. When I return my issued uniform kit to the Flyers, if any of the following have occurred to it, I agree to pay for the damages that have occurred to it while it has been in my possession including lost or stolen items.
 - 1. The hem of the warm-up pants has been damaged due to my having "walked on them" because I did not wear them zipped.
 - 2. The warm-ups are damaged or discolored due to improper washing (such as using bleach on them) or letting them stay in the washer for an extended length of time after washing which has caused the colors to bleed.
 - 3. Permanent stains are on the uniform kit that are not from normal wear and tear, e.g. Gatorade or Kool-Aid type stain, grease, etc.
 - 4. The warm-ups and jersey are returned unwashed, or faded because they were not line dried.
 - 5. All items will be cleaned per care instructions, and tagged with the athlete's name at the end of each track/cross country season, except for the shorts & T-shirt which the athlete keeps.
- C. I agree that my issued uniform kit is in good condition, and will follow the uniform care instructions given to me. Please list any existing problems that you find with your uniform kit:
